

How our works may affect you

There will be westbound lane closures in place on the A40 Westway at various locations throughout these works. We also need to make the following temporary changes to the network:

Dates	Impacts
28 Oct to 24 Nov	The left turn slip from the westbound A40 into Leamington Park will be closed
25 Nov to 6 Jan	The A40 westbound slip road from Horn Lane will be closed
25 Nov to 6 Jan	The slip road from the A40 westbound onto Old Oak Road will be closed
6 Jan to 3 Feb	The slip road from Old Oak Common Lane onto the A40 westbound will be closed

Roads

The A40 Westway (westbound) will be busier than usual in evening peak periods. Where we need to ban turns or close roads we will install signed diversion routes. Plan ahead, travel outside peak periods, and allow more time for your journey.

Buses

Bus stops will be kept open wherever possible but may be subject to temporary closures or relocation. We will display information at any affected stops.

Walking and cycling

Access to footways, crossings and cycle paths will be maintained at all times. Where it can't be we will put safe, signed diversion routes in place.

Get in touch

Public Liaison Officer, Nick Atkinson, is available to answer any queries you may have. Contact him at natkinson.vrcl@btinternet.com or on 07435 434060.
