Have your say on proposals for new homes at Cloister Corner

Barratt London want to hear your views on their emerging proposals for the Cloister Corner site in North Acton.

Located on the corner of Horn Lane and the A40 (Western Avenue), Barratt purchased the site last year from Clearview. A planning approval was granted in 2018 for 149 new homes on the site, but was never built.

Barratt have decided to take a fresh look at what can be delivered here and are working with renowned architects Allies and Morrison to create a new proposal that delivers more affordable housing than the previous scheme and a new pedestrian link through the site to North Acton Station.

Public consultation

We want to hear what you think about our early plans for the Cloister Corner. The feedback we receive will help shape our proposals for the site, before we submit a planning application later this year.

We are holding two public exhibitions, where you can meet members of the team face-to-face to discuss the proposals and give your feedback.

The exhibitions will be held on:

Saturday 12 March, 12pm-4pm

Holiday Inn London-West
4 Portal Way, Gypsy Corner,
London, W3 6RT

Wednesday 16 March, 4pm - 8pm

North Acton Pavilion, Eastfields Rd,
London W3 0JF

We will also be holding an online webinar on Zoom to explain the plans. This will take place on:

**Thursday 17 March,
6.30pm - 7.30pm**
